STORAGE INSTRUCTIONS

Store in a cool and clean place. When stored under correct conditions best before 12 months from packing date.

FEEDING GUIDE

- Feed as part of a balanced diet. These pellets have a very high grain content and must NOT be fed to very hungry stock
 - They should be introduced over a 3 to 5 day period using hay or another form of fibre as a supplement. They must also have access to good quality water
 - It is recommended that intake of this product should be 2% to 2.5% of liveweight
-

**THIS PRODUCT DOES NOT CONTAIN
